

# FIBROGLAS<sup>®</sup>

Firm protection against corrosion

**FIBROPLASTICHEM INDIA PVT. LTD.**

An ISO 9001 : 2008 Organisation

# Genesis

Way back in the year 1972, a consortium of technocrats with their expertise and zeal to provide varied solutions to the growing needs of industries, set up a facility for Design, Fabrication, Erection & Commissioning of composite (FRP, PVC/FRP, PP/FRP, PVDF/FRP, etc.) chemical process equipments, piping systems, components and structures.

Today we stand on the solid foundation of our expertise gained over the years by providing conceptual design, front-end & basic engineering and detailed engineering, based on open-art as well as licensed technologies, providing end-to-end solutions. Equipped with state-of-the-art infrastructure facilities and managed by professional stalwarts, with a highly skilled and technically proficient workforce, we have been able to create a niche for themselves in the industrial segments it caters to. Quality being the essence of every activity in the organization, we are committed to stringent quality measures undertaken at every stage, enabling to deliver impeccable end products.

## STRENGTH

- Contact Moulding
- Compression Moulding
- Filament Winding
- Resin Transfer Moulding

## PRODUCTION UNIT

**Unit-I at Belgharia :**  
Area 8500 Sft. Started manufacturing Chemical Process Equipments by Contact Moulding & Filament Winding in the year 1972

**Unit-II at Agarpara :**  
Area 4500 Sft. Started Compression Moulding & Filament Winding operation in the year 1983

**Unit-III at Dankuni :**  
Area 14500 Sft. Started RTM, Compression Moulding & Contact Moulding in 1987

**Unit-IV at Dankuni :**  
Area 30000 Sft. Started big diameter pipes in the year 2009 by Filament Winding

## MANPOWER

Technical Strength	45
Skilled Hands	150

## ACHIEVEMENTS

Cell box of submarine for Exide Industries

FRP water tanks of VTA 90 compactor for Telco Construction Equipment Co. Ltd.

FRP superstructures for marine crafts

FRP main doors for Railway AC & Non-AC coaches

FRP acoustic system

Security (Anti-ballistic) doors for British Council

GRP Ovadual liner pipes for brick sewerage rehabilitation for KMC

FRP driver desk for locomotive & EMU coaches

## Quality approval

National Award Winner for quality products in the year 1987

RDSO (Research Development Standard Organisation, Lucknow) obtained in the year 1989

DGQA (Directorate General of Quality Assurance, Government of India, Ministry of Defence) obtained in the year 2001

ISO 9001-2008 obtained in the year 2009 from DNV, Netherlands

Indian Register of Shipping obtained in the year of 2010

## FUTURE PLAN

Fibroplastichem India Pvt. Ltd.

coming into

POWER GENERATION

by the year 2011

FRP SUPERSTRUCTURES
